AVENTURE A MOULINSART

UN MEDICAMENT CONTRE L'ALCOOL ?

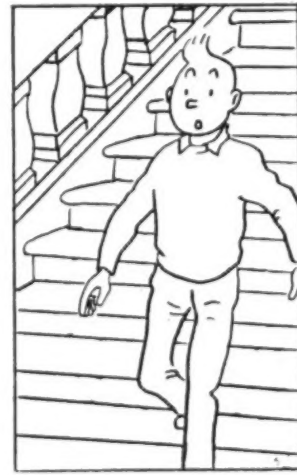

Moulinsart nous cache un nouveau produit miracle. Haddock décide d'exploiter le fameux produit à des prix exorbitants. Jusqu'à présent, ce miraculeux produit anti-alcool est tenu secret.

On se souviendra que c'est peu après leur retour d'Amérique Latine que des bruits concernant ce produit ont filtré.

Il se confirmerait que c'est lors de cette révolution que ce produit inventé par le professeur Tournesol fut expérimenté sur les fameux Picaros.

En effet, d'après nos envoyés spéciaux à Alcazaropolis, on croit savoir que les Picaros formaient une jolie bande d'alcooliques suite aux parachutages de caisses de whisky dans la jungle, ordonné

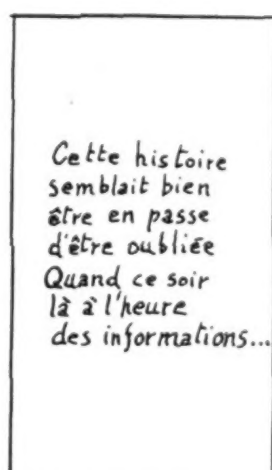

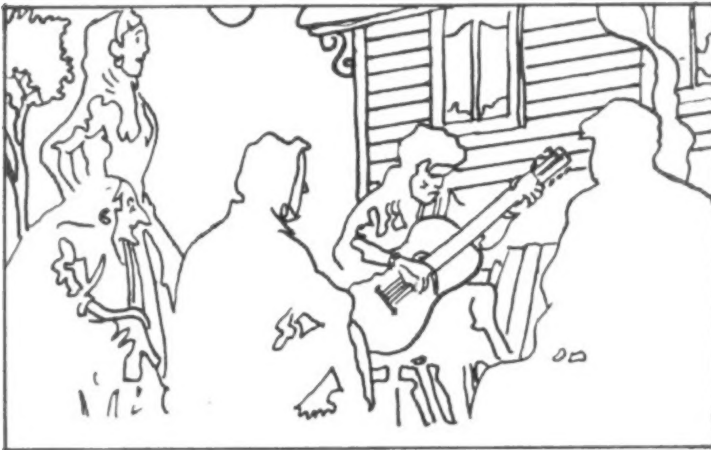

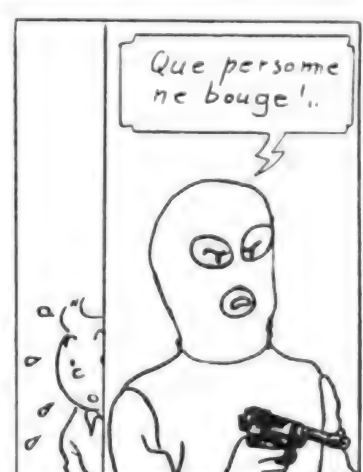

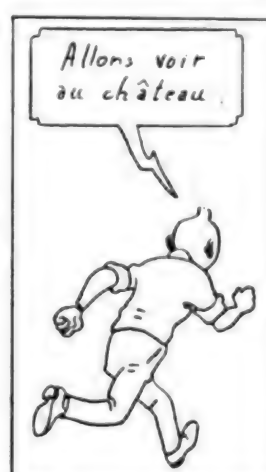

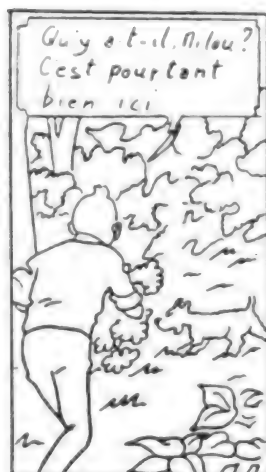

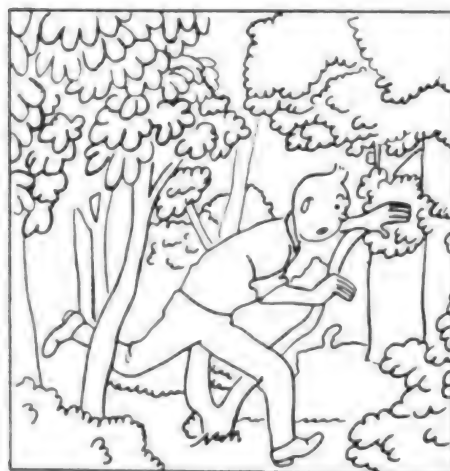

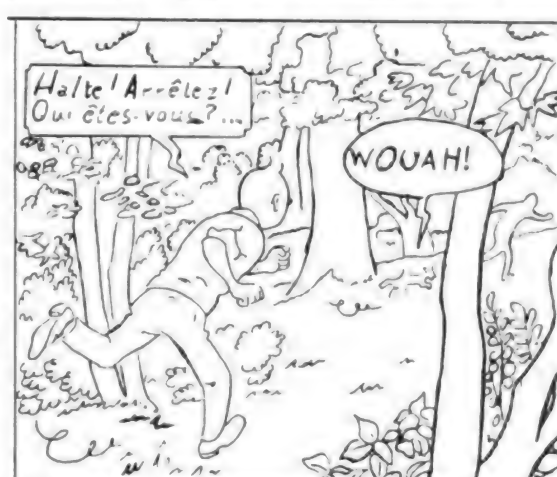

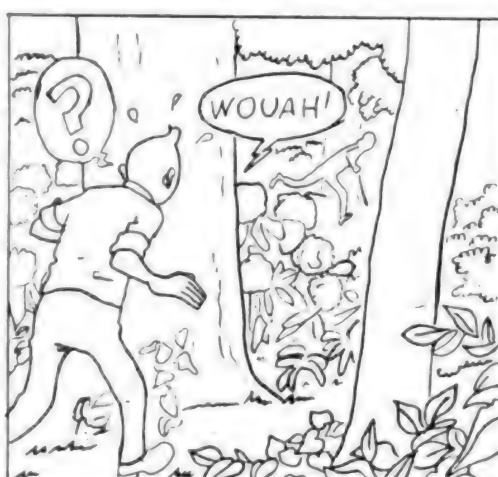

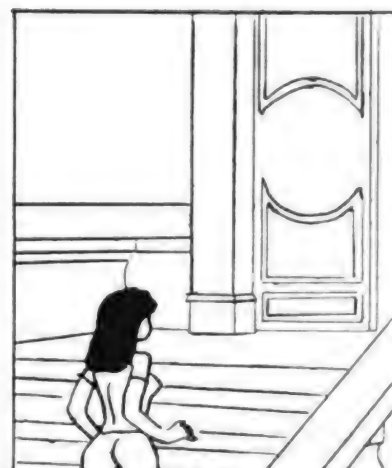

Malgré des démentis nos doutes persistent . Que se passe-t-il à Moulinsart ? Le professeur Tournesol confirme lui-même qu'il veut garder secret le résultat de ses recherches. La première question qui vient à l'esprit est bien entendu : Dans quel but ? Il semblerait malgré tout que l'aspect lucra-
